---

Enjoy the quiet comforts of the Avalon II, a beautiful 4 bedroom family home.

This well designed home features distinct living spaces with quality features and construction. The main level of this open concept home features plentiful natural light and comfortable rooms with a casual flow.

Everyone will have plenty of space with the 4 fully appointed bedrooms. The master suite is a relaxing retreat with a master bath featuring separate vanities, a soaking tub and separate shower. His and hers walk-in closets complete the functionality of this space.

Floorplans and elevation are an artist's concept only and are subject to change without prior notice. See builder for actual detailed landscape and plans. Current as 3.27.17 ©2017 Gulfwind Homes
